THE STATE OF NEW HAMPSHIRE  
TOWN OF SEABROOK  
**TOWN WARRANT FOR 1964**

To the Inhabitants of the Town of Seabrook in the County of Rockingham, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet in the Lower Hall of the Seabrook Firemen's Association Building, Route 86, on Tuesday, March 10, 1964, at ten o'clock in the forenoon and to cast ballots from that hour until at least six o'clock in the evening of the same day and to act on the following Articles:

**Article 1.** To elect by non-partisan ballot: a Town Clerk; one Selectman, Assessor and Trustee of the Trust Funds for a Term of Three (3) years; a Town Treasurer; a Collector of taxes; Three (3) Constables; a Chief of Police; a Chief of the Fire Department; One member of the Budget Committee for a term of Three (3) years; One member of the Park Commission for a term of Three (3) years; a Road Agent; and any other officers for the ensuing year.

**Article 2.** To choose Delegates-at-Large, Alternate Delegates-at-Large, Delegates and Alternate Delegates to the National Convention of various political parties to be held to nominate party candidates for President and Vice President of the United States. (To be voted by separate ballot).

**Article 3.** To choose Delegates to the Constitutional Convention. (To be voted by separate ballot).

**Article 4.** To vote on the question "Shall sweepstakes tickets be sold in this town?". (To be voted on separate ballot).

**Article 5.** To vote on the question "Shall the Town of Seabrook continue to maintain its existing Municipal Court so long as its present Judge remains in office?". (To be voted by separate ballot).

**Article 6.** To see if the Town will vote to amend the Zoning Ordinance by striking out the definitions of a trailer coach and a trailer house in Section V and on page 15 of the Seabrook Zoning Ordinance and to substitute therefor the following definitions:

Trailer, house trailer type, (one trade name is "mobile home"): - a fabricated structure having bearing members for mounting wheels used in delivering it and especially designed; (1) to provide for hauling it on highways, and (2) for use as permanent living quarters and having sanitary facilities equipped for connecting with septic tank and sewage disposal installations. For the purposes of this Ordinance a house trailer shall be considered as a dwelling or a residence and subject to all of the provisions of this Ordinance which govern other architectural styles of dwellings.

Trailer, travel trailer type: - a fabricated structure mounted on wheels and especially designed; (1) for hauling it on highways with a motor vehicle, and (2) to provide temporary living quarters during travel, camping, recreational, or vacation trips.

Trailer, utility type as used temporarily for office, shop, laboratory, or tool and materials storage: - a portable structure designed for temporary use at the site of a construction project, field survey work, or similar project and removed from the site of its use at the termination of the work.

And to insert in the glossary the following additional definitions:

House, boarding rooming: - a building in which bedrooms are rented to semi-permanent guests whose meals, when consumed on the premises, are prepared only by the proprietor or his employees.

House, single-family: - a dwelling designed for occupancy by one or more persons living as a single, housekeeping unit which has the exclusive use of the rooms, furniture, and facilities within the house. The foregoing definition shall not apply if an additional housekeeping unit should occupy the same quarters, either in total or in part, in return for a rental fee or a service charge for the use, either jointly or separately, of any of the rooms, furniture, or facilities of the same house.

House, two-family: - a single dwelling under one roof designed for occupancy by two separate housekeeping units, each of which has exclusive use of the rooms, furniture, and facilities required by and available to a single housekeeping unit. (Recommended by the Planning Board). (To be voted by separate ballot.)

**Article 7.** To see if the Town will vote to amend the Zoning Ordinance by striking out the contents of item b of paragraph 1 in Section II and substituting therefor a clearer statement of the same to read as follows:-

b. Exceptions. A Building Permit shall not be required for undertaking the following kinds of work on an existing building;

1. Work on any part of a building involving; (a) repairs, (b) redecorating, or (c) replacement of any defective part,

2. Minor additions to a building not involving an increase in its floor area when the cost of all materials required for such construction is less than (\$300), and

3. Emergency repairs, when emergency and temporary repairs are needed to retain the value and usefulness of property damages by storm, wave action, fire, or other disastrous forces. Likewise, the permanent repairs of or the restoration of buildings so damaged shall conform to the original plans and dimensions unless a Building Permit shall have been obtained which verifies sanction of any departures therefrom.

(Recommended by the Planning Board) (To be voted by separate ballot)

**Article 8.** To see if the Town will vote to amend the Zoning Ordinance by striking out the contents of items 2 and 3 of paragraph C in Section III on page 11 and substituting therefor the following:

2. The **Building Permit**, which shall be issued by the Building Inspector only when the plans and specifications set forth in the Application for such a Permit have been found by him to comply in all respects with the provisions of this Ordinance. This Building Permit must be retained and preferably posted or displayed at the site of the work operations for which it was issued.

3. **Inspection** service and the inspection deposit. Two sheets of the blank form, "Application for a Building Permit", shall be issued to prospective builders by the administrative office of the Board of Selectmen upon deposit at that Office of the minimum fees to cover the costs of inspection. The minimum rates for this service shall be established and collected as follows: (1) for new

construction or trailer replacement - \$9.00, (2) for additions to existing buildings - \$6.00, and (3) for each inspection in addition to the minimum number required - \$3.00. The minimum inspection service required by this Ordinance are set forth in the following schedule:

a. New construction or the emplacement of a house trailer.

No. 1. Initial site inspection; to determine lot size, the distance of setback and side clearances, the proposed locations of septic tank and sewage disposal facilities, and the spaces planned for driveways and parking areas. Therefore it shall be a responsibility of the proprietor to use substantial stakes in marking out the proposed locations of the foundation lines and the outside corners of a building or of a house trailer as well as the proposed locations for the septic tank and sewage disposal facilities. These stakes must be set before the start of any building construction and before the delivery of any house trailer.

No. 2. Progress inspection: to be conducted immediately following the emplacement of a house trailer or, in the case of building construction, at an appropriate time between foundation construction and before "closing-in" of the interior walls.

No. 3. Final inspection: to be completed after the installation of septic tank and sewage disposal facilities and when the building or house trailer is ready for occupancy. This is to be a final inspection in determining the extent of compliance with the plans as set forth in the "Application for a Building Permit".

b. Construction on existing buildings. Any work project involving an increase in the total floor area of an existing building and any other exterior alterations requiring an expenditure for the materials of construction in excess of three hundred dollars shall require application for a Building Permit and the minimum inspection service shall include initial and final inspections.

c. Additional Inspections. When changes are made from the approved plans or deviations from compliance with the provisions of this Ordinance occur, and when, as a means of preventing violations, additional inspections are necessary, then they shall be made and at a rate of \$3.00 per visit to the trailer or construction site. In the event of failure to make payment at the Office of the Board of Selectmen for the additional inspections the Building Permit shall be withdrawn pending such payment within the succeeding fourteen days.

4. The duties and public relations of the Building Inspector.

a. The Building Inspector shall be an agent of the Board of Selectmen and his headquarters shall be at their Office.

b. The duties of the Building Inspector shall include the following:

(1) To assist the prospective builder to conform with the provisions of this Ordinance,

(2) To determine at the site of work operations whether these follow the plans and specifications as proposed in the Application for a Building Permit and the extent of compliance with the National Electrical Code as published by the National Board of Underwriters.

(3) To maintain a complete and accurate record of the work performed by the Building Inspector, keeping such records as are required for this purpose in files at the Office of the Board of Selectmen, and

(4) To assist the Board of Selectmen in the enforcement of this Ordinance.

c. It shall also be an assigned duty of other Municipal Officers including members of the Police and other Town Departments who regularly travel the Town roads to assist the Building Inspector by notifying him forthwith of the occurrence of violations of this Ordinance or the appearance of violations.

And with the adoption of this amendment the numbering of items now designated 4, 5, and 6 of paragraph C shall be advanced to numbers 5, 6, and 7 respectively.

(Recommended by the Planning Board). (To be voted by separate ballot).

**Article 9.** To see what sums of money the Town will vote to raise and appropriate for the expense of the General Government, for the Protection of Persons and Property, for Health and Sanitation, for Highways and Bridges, for Support for the Town Poor and all other necessary expenditures for the ensuing year.

**Article 10.** To see if the Town will vote to allow the Selectmen to borrow money in anticipation of taxes and to renew and refund town notes.

## 1963 SUMMER PLAYGROUND

The 1963 Summer playground was a highly successful season. The total enrollment for the playground was 145 children. This resulted in an average attendance of 32 at the morning session and 33 at the afternoon session. On Tuesday, beach day, the average attendance was 17 which often included several adults. The average evening attendance was 16 including adults. A total of 23 persons went on the two campouts that were held at Monadnock State Park.

In addition to the regular playground activities which included organized sports, table games, and handcrafts, a series of special activities and tournaments were held. Tournaments were held in five pins, chess, checkers, tetherball, ping pong, and others. Special activities included the state archery contest, a bicycle rodeo, a 14 mile bike hike, a pet show, and olympic day races. At least one day per week was spent at the beach. Several children learned to swim for the first time.

Evening programs were set up each Tuesday and Thursday and generally the attendance was good. Among the activities having the best attendance was a cookout, a scavenger hunt, a family archery shoot, two family bowling nights in Exeter, and a watermelon shoot. The evening programs were open to the entire town with no limitations as to age.

Much new equipment was added to the playground this season, making a full inventory of equipment which will not need to be replaced for several seasons. At the close of the season this equipment was carefully inventoried and then stored at the Sanborn School. Other than expendable items, no new equipment will be needed. Expendable equipment includes such things as ping pong balls, arrows, and such.

The children financed their own handcrafts. This meant that they ordered what they wished, bought in their money and then the equipment needed was purchased. No money, other than for direction manuals was paid for from the town funds. Altogether the children bought and used \$70.93 worth of handcraft materials!

Altogether the season was very successful. Seabrook again made an excellent showing in the state archery tournament. Seabrook took three first place ribbons, two second place ribbons, and one third place ribbon in addition to individual awards. A quotation from the final results of the New Hampshire Recreation Association says, "A two tournament total of 3735 earned for the Seabrook Playground the second leg on the boys rotating trophy. This Seacoast community has won the boys tournament for five successive years." Richard A. Tapply has been holding the trophy until such a time when the townspeople would like to honor their archers properly.

Many improvements can be made, but this season proved that the playground can be run successfully with profit and enjoyment for the residents, whether young or old.

Respectfully submitted,

Karin and Lloyd Burghart  
PLAYGROUND DIRECTORS

## SELECTMEN'S SPECIAL REPORT

---

We are pleased to submit the following Selectmen's report for the year of 1963.

The Board of Selectmen feels that this has been a most successful year for the Town of Seabrook and that the Town's future is very bright.

A milestone was set this year with the coming of two new industries to Seabrook. This is of particular significance and it speaks very well for the Town that these two industries have chosen our Community in which to establish their future.

Your Board has striven by all possible means this past year to control unnecessary expenditures and to prevent any further increase in taxes. Once again, we were successful in keeping the tax rate from increasing and at the same time have managed a Budget Surplus of \$18,000.00 (Eighteen Thousand Dollars) which may be applied to next year's tax rate, thereby keeping any increase at a minimum.

Another matter that the Board of Selectmen feels is of considerable importance to the Voters and Taxpayers and which should be mentioned in our report to you, is the future of our local Court. As many of you are already aware, the 1963 Legislature passed a new law which provides for a District Court System which will mean that, unless a majority of the Voters in Town vote "Yes" on the question that will be submitted on the Ballot as a Referendum Question, our local Court will be abolished and will be absorbed into a District Court which will be located in Hampton.

We feel this would be a great loss to the Town of Seabrook in many ways. Economically, the Town of Seabrook stands to lose thousands of dollars over the years in revenue that the Town now receives from our local Court. It would also mean a loss in the prestige that a town gains by having a Municipal Court in the community; and further, it would be one more loss in "HOME RULE" that the Town would have in the control of it's own affairs.

Your Board of Selectmen has gone on record as being unanimously in favor of keeping our Municipal Court in Seabrook.

Our sincere and heart-felt thanks are extended to you, the Voters and Taxpayers, who have, with your faith and co-operation, made this a year of progress and success.

Repectfully submitted,

James C. Falconer, Chairman  
James S. Eaton  
Clyde O. Brown

## **REPORT OF THE POLICE DEPARTMENT**

290 Complaints investigated  
206 Court Cases  
4 Juvenile Cases  
8 Breaking & Entering  
4 Stolen Cars  
44 Trips to County Jail at Brentwood  
61 Accidents Investigated  
15 Subpoenae served for out-of-town Police  
15 Trips to Doctors offices  
114 Trips to hospitals in Exeter, Newburyport, Amesbury, Manchester, Boston and Brentwood.

Respectfully submitted,

Truman F. Merrill, Chief

## **REPORT OF THE WATER DEPARTMENT**

93,947,720 gallons of water pumped during 1963-an increase of 22,548,010 gallons over previous year.

69 new services were installed making the total 1,301.

Eight fire hydrants and 6,748 feet of water mains were installed.

The Whitman & Howard Engineers were asked to submit a detailed plan of the bridge crossing at Pickens Avenue and Collins Street. This plan was approved for structural requirements only by the Boston and Maine Railroad, however permission has not yet been granted for construction.

Respectfully submitted,

Douglas H. Perkins, Foreman

DIVISION OF MUNICIPAL ACCOUNTING

STATE TAX COMMISSION

Concord, New Hampshire

SUMMARY OF FINDINGS AND RECOMMENDATIONS

February 12, 1964

Board of Selectmen

Seabrook, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Seabrook for the fiscal year ended December 31, 1963, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Municipal Court and Trustees of Trust Funds.

FINANCIAL STATEMENTS

Comparative Balance Sheets: December 31, 1962 - December 31, 1963:  
(Exhibit A-1)

Comparative Balance Sheets as of December 31, 1962 and December 31, 1963, are presented in Exhibit A-1. As indicated therein the Net Debt increased by \$18,098.73 in 1963.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

Increase in Net Debt

Surplus Used to Reduce Tax Rate	\$11,500.00	
Bonds Issued	50,000.00	
Tax Liens transferred to Tax Deeds	6,041.14	
Decrease in Accounts Receivable	160.91	
Tax Collector's Excess Debit	<u>6.00</u>	
		\$67,708.05

Decrease in Net Debt

Bonds Paid	\$22,000.00	
Notes Paid	2,000.00	
Net Budget Surplus	18,590.86	
Decrease in Accounts Payable	<u>18.46</u>	
		<u>49,609.32</u>
Net Increase		<u>\$18,098.73</u>

Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits A-3 and A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1963, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a revenue surplus of \$13,134.15, plus a net unexpended balance of appropriations of \$5,456.71, resulted in a net budget surplus of \$18,590.86.

Summary Statement of Receipts and Expenditures: (Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1963, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1963, is indicated in Exhibit B-2.

Statement of Long Term Indebtedness: (Exhibit G)

A statement of outstanding long term indebtedness as of December 31, 1963, showing annual debt service requirements, is contained in Exhibit G.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made up from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of veri-

fication notices.

### GENERAL COMMENTS

#### Current Surplus:

The current surplus (excess of total assets over current liabilities) increased by \$901.27, from \$43,604.73 to \$44,506.00, in 1963, as shown herewith:

	<u>December 31, 1962</u>	<u>December 31, 1963</u>
<u>Total Assets</u>	\$251,692.97	\$189,240.46
<u>Current Liabilities</u>	<u>208,088.24</u>	<u>144,734.46</u>
<u>Current Surplus</u>	\$ 43,604.73	\$ 44,506.00

#### Uncollected Poll and Head Taxes - Prior Years' Levies:

It is noted that there are a few uncollected poll and head taxes on the warrants of 1960 and prior years as follows:

	<u>Poll Taxes</u>	<u>Head Taxes</u>
Levy of 1960	\$20.00	\$15.00
Levy of 1959	16.00	65.00
Levy of 1958	8.00	50.00
Levy of 1957	14.00	65.00
Levy of 1956	2.00	35.00
Levy of 1955	10.00	5.00
Levy of 1954	26.00	85.00
Levy of Prior Years	<u>          </u>	<u>160.00</u>
	\$96.00	\$480.00

Inasmuch as most of these taxes are apparently uncollectible it is recommended that the Board of Selectmen authorize their removal from the warrants by abatement procedure. There is also an uncollected yield tax on the 1956 tax warrant which should be abated.

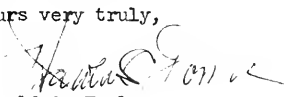

To include such uncollectible taxes as assets in the balance sheets year after year not only tends to distort the true financial picture of the Town, but also adds to the time spent in making the annual audit, with the resulting increase in the expense of the audit.

Conclusion:

In accordance with the provisions of Chapter 184 of the Laws of 1955, this report or the summary of findings and recommendations (letter of transmittal) should be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Seabrook for their assistance during the course of the audit.

Yours very truly,

  
Harold G. Fowler
